**AGK MUSIC
SERVICES**

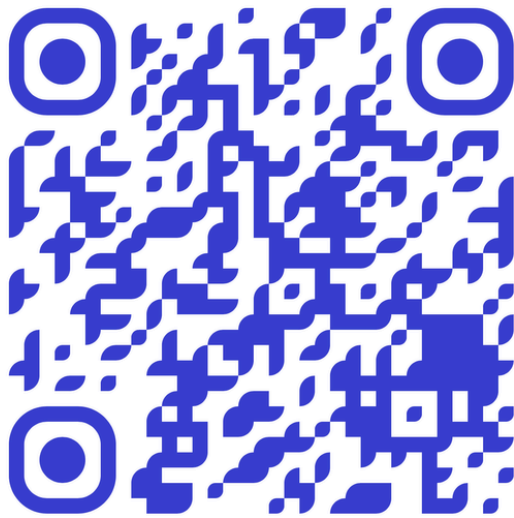

I would like to say a huge thank you to everyone who continues to support AGK Music Services! What a fantastic start to the academic year it has been. Term One has been incredibly busy and successful, with more people than ever enjoying music lessons and developing their musical talents. We've also celebrated a wonderful 'Songs from the Shows' production with our Lympsham Musical Theatre (LMT) group, performing to enthusiastic audiences at both our well-attended matinee and evening performances. Another exciting highlight has been the successful launch of our brand-new after-school choir at Lympsham First School, giving even more young people the opportunity to discover the joy of singing together. It's been brilliant to see so much enthusiasm for music and performing arts across all our activities, and I am incredibly grateful to everyone who helps make it possible. Here's to another exciting term of music-making, creativity and performance!

Ashley Godfrey-Keyte

Director of AGK Music Services

LYMPSHAM MUSICAL THEATRE SONGS FROM THE SHOWS

What an incredible success for our Lympsham Musical Theatre (LMT) group! We couldn't be prouder of every single member who worked so hard to make our recent Songs from the Shows performances such a wonderful occasion.

With both our afternoon and evening performances completely sold out, audiences were treated to a fantastic variety of solo performances and ensemble numbers, showcasing the wonderful talent, enthusiasm and dedication within our group.

Every performer gave their all, and it was truly rewarding to see everyone's hard work come together on stage.

A very special congratulations must also go to Hannah and Noah, who took on the challenge of managing the live sound equipment and mixing desk independently for the very first time! They did a brilliant job ensuring everything ran smoothly, and we are incredibly proud of their achievements. A huge thank you to everyone who performed, helped behind the scenes or supported us in the audience.

What a fantastic team effort and a wonderful reminder of what makes LMT so special. Here's to many more amazing performances together!
